2. Cephalon, Inc.
3. GlaxoSmithKline Foundation
4. The H. J. Heinz Foundation
5. The Merrill Lynch and Company Foundation
6. The Pfizer Foundation Matching Gifts Program
7. The Vanguard Group Foundation
8. The Verizon Foundation
9. The Wyeth Matching Gifts Plan

These nine companies have provided over \$27,000 in foundation monies that have matched employee gifts on a one-to-one basis. Hence, individual capital-campaign contributions have been DOUBLED to \$54,000 at no additional cost to the donor!

Donations can be made by current employees, retirees, and sometimes even spouses of either one. Matching Gifts are an easy way to double and sometimes even triple employee contributions to eligible recipients like the St. Agnes Education Endowment Fund.

The Matching Gift Process is simple and straightforward. Just contact your Human Resources or Corporate Giving Department for details, make a donation of your choosing, fill out a one page form and forward to Maureen Snook at the St. Agnes Rectory. We complete it and return to the company. The corporate check is then mailed to us. Thank you!
