## The Educational Improvement Tax Credit Program (EITC)

Did you know that businesses in Pennsylvania can receive a 75 to 90% tax credit while supporting Catholic education here at St. Agnes? Hundreds of Pennsylvania businesses know this and already participate, including PECO, Communications Test Design Inc., the Lasko Group, DNB First Bank, Penn Liberty Bank, and First Resource Bank. Join them!

The EITC process is simple; the benefits are huge. The straightforward application is online. The tax credits are directed thru approved scholarship organizations like Business Leaders Organized for Catholic Schools (BLOCS) or the Foundation for Catholic Education in Chester County. 100% of the tax credit goes to families in need at schools like St. Agnes. For details please contact Maureen Snook at 610-692-2990 or [edfund@saintagnesparish.org](mailto:edfund@saintagnesparish.org).

An Informational Breakfast was held Friday, April 26, 2013 with great interest!

ST. AGNES EDUCATION ENDOWMENT FUND

## The St. Agnes Education Endowment Fund

The St. Agnes Education Endowment Fund is an ongoing, parish-wide program to strengthen Catholic education at St. Agnes Parish over the long term. The initial campaign goal was \$1,500,000. ***We now have \$1,444,000 on deposit!***

Endowment proceeds were not envisioned to address day to day operational or capital needs. Rather, investment earnings can be used for the following, and ONLY the following:

- Teacher incentives and bonuses tied to performance
- Curriculum improvement and new program development
- Tuition assistance

Endowment disbursements of nearly \$40,000 have been made over the past three years. They included: performance awards to six outstanding teachers; support for the *FAME* Math programs and integrative iPad technologies; and tuition assistance for families in need.
